Abstract

Epigraph text...

Main text. Short quotes should be enclosed in single quote marks and citations should be in this form: (Belich, 1996: 36) or (Berlant and Warner, 1995: 344) or (Allen et al, 2005). Punctuation should be 'inside quote marks,' like so. Do not use Microsoft word endnote function as it creates problems when we upload the document. Instead, manually insert notes into the text like this[1] and then collect the notes in a numbered list at the end of the document under the heading Notes (see below)
